

2024 PERIOPERATIVE MEDICINE SHORT COURSE

DEPARTMENT OF ANAESTHESIOLOGY AND PERIOPERATIVE MEDICINE

WHY DO THE COURSE

Many clinicians caring for surgical patients are challenged by the growing complexity of these patients, particularly their perioperative management. Pre-admission clinics are responding, and perioperative medicine is becoming an emerging field and this course will address deficiencies in this area.

OBTAIN CPD POINTS TOWARDS

Australasian College for Emergency Medicine (ACEM), and Australian and New Zealand College of Anaesthetists (ANZCA).

ELIGIBILITY

Any medical practitioner who is interested in perioperative medicine can register for the course. This includes but is not limited to Anaesthetists, Intensivists, Physicians, Surgeons, Pain Specialists, Emergency Physicians and General Practitioners.

COURSE DURATION

12 weeks of online learning

THE BLOCK DAY

The Block Day is optional and open to all registrants and cannot be booked separately.
